

Chocolate Fountains of Dorset

“Chocolate From Heaven”

A Chocolate Fountain can add the perfect touch to your party or other special occasion. The elegance and fun of the larger chocolate fountains can now be yours with one of our mini chocolate fountains.

Your family and friends will be amazed and entertained as they dip delicious fruits and desserts into a cascading curtain of warm melted fondue chocolate...

These are ideal if you have to cater for a small party or are on a budget.

You can rent one of these mini chocolate fountains from us for a great all inclusive price. Please don't confuse these Sephra fountains with cheap imitations. The fountains we use are of the highest quality.

Chocolate Fountain Bronze Package

We provide the mini chocolate fountains as a DIY service (unless you are having one as an 'add-on' to the premier service). You will have to collect the fountain from us in Ferndown, near Bournemouth. You will then have to operate the fountain yourself (we show you how; they are easy to operate), supply your own dipping foods, clean the fountain and return it to us. We use "The Elite" Sephra chocolate fountain and it has the following highlights;

- 19" tall
- Perfect for small or large gatherings
- Removable Basin for fast, easy cleaning
- Dishwasher safe parts
- Electronic Temperature Controls
- Heated Basin melts chocolate in the fountain
- May serve up to 40 people at full capacity
- WhisperQuiet™ motor

The price includes the overnight rental of a Sephra Elite mini chocolate fountain, 2.5kg of fine Belgian chocolate (milk, dark or white - other flavours/colours are available) and skewers.

Total cost: £65

Why not try two fountains and double the fun with two different flavours of chocolate!

We also have a large chocolate fountain for rental.

It is 44" high and makes a wonderful centre-piece.

These are great for weddings, balls, larger parties or any other special event.

With this service, we come to you and supply *unlimited* chocolate and a large selection of *unlimited* dips. Please contact us for more information on this premier service.

If you require any more information, please give us a call. We are always more than happy to discuss chocolate!
