Chocolate Fountain Gold Package

This package offers you and your guests a wonderful “chocolate fountain experience” with three different flavours of chocolate to choose from with unlimited chocolate and dips, at a great price.

Being one of Dorset’s original suppliers of chocolate fountains, we offer a premier service at a great price and are constantly praised on our presentation and professionalism.

We specialise in making your special day or event something to remember. We attend each booking personally and offer unlimited chocolate and a large range of unlimited dips at a fantastic price.

We will come to your venue and set up the fountains and the table display. This option is usually attended by one of us and we will wear a smart uniform as usual. We will not however, stay after 11pm unless previously arranged. We then:

- Supply 1 x 23” four tier Sephra “Cortez” and 2 x 19” three tier Sephra “Elite” fountains
- Supply an *unlimited* amount of the finest Belgian chocolate – various flavours are available. Three different flavours
- Supply an *unlimited* amount of ten varied dipping foods
- Serve chocolate for two hours
- Provide skewers & napkins
- Replenish the dipping foods and chocolate as required
- Keep the area clean and tidy
- Assist guests in the use of the fountain
- We will dismantle the fountains after use and clean up afterwards
- Feeds up to 100 guests
- We will travel up to approximately 60 minutes from our home to your venue

Now with
Three
fountains

If requested, all of the chocolate remaining in the fountain will be left behind for your own use. There will be a substantial amount, so Hazel provides some recipe suggestions! We also leave any unused dipping foods behind for your guests to enjoy after we leave. Also, don’t worry about getting chocolate over yourself or your guests; we have never had any problems. We show everybody how to use the fountain safely and remain by the fountain at all times.

The price includes all the above for up to 100 guests - there are no hidden costs. The choice of dipping foods will be discussed and your selections will be made available wherever possible.

Total cost: £399 (Additional guests will be charged at £30 for each extra 50)
